

# A Brief User Manual for Beamer-Academic

Lingchu Xi

December 9, 2020

1 Basic Information

2 TODO List

## 1 Basic Information

- Introduction
- Basic Functions

## 2 TODO List

This template is for academic presentation. I will keep updating it and add more interesting and convenient functions in this template. I hope everyone who use it will like it, and you are welcome to share your advices to me. This template is free, and I hope it will helpful for you!

## Basic Functions in This Template

- **autocontents:** This function can help you add contents automatically.
- **autotitle:** This function can help you add title automatically.
- **hit(sysu)colortheme:** This function will change the color theme.
- **subtitle:** Allow you add a subtitle(Hope a better solution for that)!

1 Basic Information

2 TODO List

## TODO List

- Add Chinese version.
- Choose proper fonts.
- Add a manual for beamer's basic usage.
- Auto bibliography.
- Auto Ending.

Thanks!
